

Full weekend of sailing at Frostbites

Last Saturday saw Frostbite members using their boats as part of the River of Hope Project to be shown at the Norfolk & Norwich Festival in May next year. Special artwork was attached to sails making quite a picture for photos and films.

On Sunday normal racing took place and in the first race David Mackley in B6 "Lucifer beyond repair" crewed by Olivia Archer won the three and a half lap race in 44 minutes. Sam Archer sailing B54 "Coot" crewed by Wendy Bush came a close second and third was Danny Tyrrell in B53 "Twinkle" crewed by Bruce Thompson. On handicap Archer was first, Mackley second and Tyrrell remained third.

In the second race after shortening the course to two and half laps, Archer this time took the win with sister Olivia Archer now helming Lucifer a close second. Tyrrell was again third. On handicap Olivia won with Sam second and Tyrrell again third.
