Light winds and low tide at Frostbites

After a short postponement to try to confirm the wind, five Norfolk One Designs embarked on a short 4 lap course in a very light south-easterly wind. Race Officer Graham King tried to set a short beat but with low water and a flukey wind all the boats had their moments at some point. Sam Woodcock in B20 “Kelpie” crewed by Sam Archer finally managed to complete the course, shortened to three laps, in first place by over four minutes. David Mackley was second sailing B6 “Lucifer beyond repair” crewed by Olivia Archer. In third place came Danny Tyrrell in B53 “Twinkle” crewed by Bruce Thompson. On handicap Woodcock held his lead with Tyrrell taking second and Mackley third.

The second race saw no improvement in the wind situation but Olivia Archer now helming “Lucifer beyond repair” gradually drew ahead of the fleet to build a good lead. In the meantime Tyrrell gave Sam Archer, now helming “Kelpie” a good run for his money but eventually succumbed giving Sam an opportunity to chase his younger sister Olivia but to no avail. On handicap the positions of the first three boats remained unchanged.
